EDUCATION

HIGH SCHOOL MITHI

INTERMEDIATE, 10TH PASS IN KARACHI

Karachi, PK

Aug. 2023 – Feb 2024

EXPERIENCE

- Freelance Experience
 - * Worked with 300+ clients over the past year!
 - * Ensured timely delivery and client satisfaction.
 - * Managed multiple concurrent projects with meticulous attention to detail and organization.
 - * Demonstrated strong communication and problem-solving skills to meet diverse client needs.
 - * Developed custom web applications using React.js.

PROJECTS

AI SaaS Platform

- * I created a complete AI SaaS platform with a Credit system and payment gateway! [Github Repo Link](#) [Live Link](#)
 - Built an AI image SaaS platform that excels in image processing capabilities, integrates a secure payment infrastructure, offers advanced image search functionalities, and supports multiple AI features, including image restoration, recoloring, object removal, generative filling, and background removal. This project can be a guide for your next AI image tool and a boost to your portfolio.

Tech Stack used in this project

- Next.js, TypeScript, MongoDB, Clerk, Cloudinary, Stripe, Shadcn, TailwindCSS

Zoom Clone - Live Calling App

- * I created a complete web App like Zoom [Github Repo Link](#) [Live Link](#)
 - Built with the latest Next.js and TypeScript, this project replicates Zoom, a widely used video conferencing tool. It enables users to securely log in, create meetings, and access various meeting functionalities such as recording, screen sharing, and managing participants.

Tech Stack used in this project

- Next.js, TypeScript, Clerk, getstream, Shadcn, TailwindCSS

Ecommerce Website

- * I created a complete Ecommerce Website with user authentication. [Github Repo Link](#) [Live Link](#)
 - User Authentication with Firebase, Payment Integration using Razorpay, Responsive Design for all devices, Product Management for administrators, Shopping Cart functionality, Order Tracking and History, Search Functionality for products, Product Reviews and Ratings.

Tech Stack used in this project

- React JS, Firebase, Tailwind CSS, Redux, React Router
